

Managed and Professional Services

IDC predicts that by 2018, a third of IT "staff" will be employees of third party service providers. IP Pathways' award winning engineering team can help you with break/fix issues, on a project basis, as part of an Upsourcing, co-managed agreement or as an all-in IT outsourced solution.

ADAPTIVEIT™ - Managed Services

Custom upsourcing of strategic IT services and functions.

RELIABLEIT™ - Managed Services

All-in IT outsourcing for business with 75 or fewer employees

Engineering Support

24x7x365 hourly-based engineering support for IP Pathways' customers

Professional Services

Project-based assessment, configuration and implementation services for IT infrastructure related needs
