QUICK FACTS

REACHING NEW EDUCATIONAL GOALS

LJIC has had a long business relationship with IP Pathways utilizing IP Pathways to help improve the technology, speed and capabilities for students and staff.

LJIC offers a three day Hybrid Cosmetology program which allows students the opportunity to choose to do their written book work online while attending three days of practical training on-site, or attend the traditional five day a week schedule. LJIC is continually looking for ways to improve delivery methods to students, thanks to the knowledgeable engineering team at IP Pathways.

With 8 campuses in Iowa, Illinois and Nebraska, future goals include the ability to link each campus with their practical instruction interaction. IP Pathways is key in assisting LJIC exceed in the next level of educational excellence.

LJIC is looking forward to the improvement IP Pathways will be adding to their already “Distinctively Different Education.”

“We value IP Pathways technical expertise in our very complex network,” stated Curtis Thelen.
